Buy designer clothing & accessories and get Free Shipping & Returns in USA.. contemporary behavior and dialogue in New Wave movies seemed to give .(CNN) -- Most Americans will go to work on Monday, shaking hands, meeting new people and looking for a job. And if the news is good, you'll find a paycheck to send your kids to school with and pay for the gas to get you there. For the vast majority of people, life as we know it gets a little better. Whether you have a job, or you've never had one, you'll be better off in

the long run with the stimulus -- whether you make money from it or you lose it. Here are four areas where most people will have an immediate benefit from the stimulus. Up to \$600 back for a new car. For many Americans, a new car is a tangible symbol of their financial success. There's pride to be taken in a new-car purchase, especially if it's not too expensive. The government isn't about to take that away. So here's the government -- and the credit card companies that finance them -- saying, "don't worry, it's going to be just fine if you buy a new car." How's that going to play out? First, most consumers are going to need to save more money in case that new car means they need to take a larger loan
